Note to exhibitors:

\*\* If you are signed up for Launches, during competition there are no practice jumps. If you need to practice or get your dog wet, please be there before the Launch time and we will put exhibitors before open dock dogs. Competitors do not have to pay for open dock practice jumps, and will receive precedence over non-contestants for Open Dock jumps.

\*\***Open Dock** - Dogs not in competition can pay a \$15 per dog practice fee, and you can practice all day in between competition rounds. You'll get in line with everyone else, take 2 jumps, then get back in line. If you're brand new, we can help you get started. When you get to the event, just find the event secretary's tent and ask her if there is availability. You will be asked for your name and signature for the liability waiver, & anyone else

that will be going on the dock with you must do the same. NOTE: You do not have to be a registered competitor to come out and practice, but we highly encourage your dog to be a swimmer and have toy drive.

**\*\*Make sure to let the trial chair/check in person know that this is your first time, and please try not to be intimidated... we were all in your shoes at one time or another, and before you know it, you'll know everyone's name and hopefully you'll be coming to as many events as you can because you and your dog will be hooked!**
